Artist Statement Simply, I'm from Venice and painting it's on my blood.

Statement I'm Italian but I'm located also in Caversham, Reading. During the initial stages of a portrait commission I like to spend some time with the sitter just getting to know them. I study the subject by taking photographs. After selecting a few suitable compositions I supply the client with one canvas sketch. Here a 1 or 2 hours live sitting. Also on the final step I like to have another sitting. Children are welcome! Each painting is presented with a simple linear frame.
